Louis XIV - historical puzzle

Dear Francis -

Ph. Erlanger wrote this about  
Louis XIV in the Encyclopaedia Britannica

I have been trying to verify the  
allusion. I have not found it in  
a few of Erlanger's writings I have  
been able to peruse. Nor did he respond  
to my letter - Is he still alive?

Do you have any suggestions about  
Louis XIV experts?

Sincerely,  
F.
